## Career Objective

**Motivated Front-End Developer** with strong knowledge of **HTML, CSS, JavaScript, and React.js**. Skilled in building responsive and user-friendly web applications, integrating **APIs** for dynamic data handling, and using **Git/GitHub** for version control. Eager to apply technical skills, collaborate on team projects, and grow in a professional development environment.

## Technical Skills

- Web Technologies:** HTML5, CSS3, JavaScript, React.js
- Frameworks:** Bootstrap, Tailwind CSS
- Tools:** Git, GitHub, VS Code
- AI Tools:** ChatGPT, Gemini, Copilot, Perplexity

## Work Experience

### Quality Control Agent (Part-time) | Altruist Pvt. Ltd.

Apr 2025 – Present

- Checked products and services as per company standards.
- Learned how to follow quality guidelines and improve accuracy.

### Tender Executive | Primus Pharmaceuticals

Oct 2023 – Dec 2024

- Assisted in preparing tender documents.
- Managed customer queries through email.
- Gained experience in documentation and communication.

## PROJECTS

### Gemini AI Clone | React, Gemini API, Tailwind CSS | <https://gemini-clone-app-react.vercel.app/>

- Developed a conversational AI web app by integrating the Gemini API with a React frontend.
- Designed a responsive chat interface using Tailwind CSS for seamless user interaction.

### AI Code Converter | React, Tailwind CSS, Puter.js | <https://ai-code-converter-omega.vercel.app/>

- Developed a responsive **AI-powered code conversion web application** using **React.js** and **Tailwind CSS**, enabling users to translate code between multiple programming languages.
- Used **Puter.js** for **API** calling to handle data smoothly and improve app performance.
- Designed an intuitive, user-friendly UI with **Tailwind CSS** to enhance accessibility and provide a seamless developer experience.

### Image Search Engine | HTML, CSS, JavaScript, Unsplash API | <https://image-search-engine>

- Created a web app that allows users to search images using API integration.
- Improved layout for mobile and desktop devices.

### Text Translator | React, Tailwind CSS, Google Translate Rapid Api | [text-translator-app-three.vercel.app](https://text-translator-app-three.vercel.app)

- A Text Translator App built with React and Tailwind CSS for a clean and responsive design.
- It uses Google Translate API via Rapid API to translate text from English into different languages.
- The project helps to learn state management, API integration, and conditional rendering in React.

## Certification

### Introduction to Front-End Development | [View Certificate](#)

**Simplilearn** — Completed September 2025

- Proficient in Front-End Development with HTML, CSS, JavaScript, and React for building responsive web applications.
- Experienced in version control and collaborative development using Git and GitHub.

## Education

### Bachelor of Computer Applications (BCA)

Govt. Post Graduate College, Ambala Cantt (KUK University) | 2020 – 2023

**10+2** | Govt Sr. Sec. School, Prem Nagar, Ambala City | 2019 – 2020

**Matriculation** | St. Sawan Public High School, Ambala City | 2018 – 2019

## Personal Information

Address: Ambala Haryana India

Nationality: Indian / DOB: 27/02/2002

## Languages

Hindi, English, Punjabi
